

Recovery Billing Unlimited

Instructors Bob and Eric Fouquette

We are an organization dedicated to teaching fellow towers how to become more profitable at the work they do day in and day out. This is by no means a class teaching how to gouge insurance companies; but rather developing the correct bill that insurance companies will understand and pay. Classes are usually held monthly and are limited to the first 20 companies sending in their deposit. The fee is \$1500.00 which includes 2 personnel from the company (usually the owner and the bill writer), and that company is allowed two more class returns for free to be familiar with new updates such as state and local laws. Notes are strongly encouraged to be taken; lunch is served on site by a catering restaurant. The classroom is in a modern facility accompanied by guest speakers from law firms, insurance agencies, etc. We assure all attendees that they will be completely blown away at how much money was left on the table!

We teach:

- Building the proper tow business from the ground up
- Training employees so they project a more professional image for your company
- Remediation of the accident scene to free you from future liability
- Proper way of writing acceptable recovery invoice
- Billing on liability insurance coverage only
- State, Local and Federal laws reviewed
- Obtaining payment from insurance companies for proper billing

Please call Linda M-F, 8am – 5pm at 508.763.5474 to register.
